

Garden Ministry

The mission of the Garden Ministry is to enhance the surrounding gardens of our church, showing a love for our place of worship. The group consists of only a few so we always welcome anyone who likes to dig in the dirt and see the beauty that results. Our goal is to maintain the flower beds throughout the seasons, making them welcoming to all who enter our church.

Group members also provide altar flowers throughout the year, whether sharing from our gardens or purchasing from local suppliers. If you would like to join our ministry, please contact Christina in the parish office.
