

## Greeters and Ushers

### *The Ministries of Hospitality*

The Bible contains numerous references to the importance of showing hospitality, both to those we know well, and to those we are meeting for the first time.

We are always pleased to welcome everyone to our church home, and to let them know how glad we are that they are here. If they are new to our church, or have any special needs, we look forward to showing them around or helping to make them comfortable.

Nothing makes a person feel more at home than being greeted with a big smile, and our parish has the reputation of being a warm and welcoming parish.

If you enjoy meeting, greeting, and helping people, you would be a great fit for these ministries.
