

Our prayer Shawl Ministry was started back in November, 2012 by Carolyn Schultz. It is comprised of 11 faithful members who use their God given talents to knit or crochet shawls and lap throws. We are all witnesses to God's love for us through our fun, friendship and fellowship. Together, we have made over 100 items and distributed to parishioners in need, their family and friends, as well as to patients of the Cancer Clinic at St. Joseph's Medical Center. In 2015, we have expanded our items to include baby blankets for our baptized infants.

Our group meets at the Church on the 3rd Wednesday of every month from 1:00 – 3:00 pm. As always, we welcome new members!! Stop in to one of our monthly gatherings or contact the parish office: 610.693.5851; stfrancisrob82@verizon.net.
