We meet only once a month, which provides families with more flexibility and opens up time to prioritize weekly Mass attendance—a vital part of your child’s faith formation. In the weeks we don’t meet, there will be simple, engaging home lessons for you to complete together as a family. These lessons are designed to reinforce what we cover during our monthly gatherings and to keep your child connected to their faith throughout the month. Attending Mass regularly and participating in these home lessons will create a strong foundation for your family’s spiritual growth.
